Welcome in Pays de Lunel

Vignobles et Découvertes

National label sets up by Atout France which distinguishes « a tourist and wine-producing destination offering a wide range of many complementary tourist products.»

Accueil Vélo

Accueil Vélo is a national brand that offers a welcome, services and special facilities adapted to cycling tourists needs along cycle roads in France.

Agriculture Biologique

Organic Agriculture is a production method that combines optimal environmental practices, biodiversity respect, natural resources preservation and the animal well-being security.

Bienvenue à la Ferme

Farmers of «Bienvenue à la Ferme», which was created in 1988, welcome you in their farm with pleasure. They respect quality charters and reassure visitors about quality services (touristic and agricultural): authenticity, welcome, direct sale...

High Environmental Value

Environmental certification is built into three levels, enabling operators to improve their farming practices in terms of respect for biodiversity, phytosanitary, strategy, fertilization and water resource management.

Tourism and disability label

This national label has for aim to improve the touristic welcome of the audience with specific needs. Assigned for one or several kind of disabilities it answers at a volunteer approach which commits the professional to insure a good welcome to the disable audience who he wants to welcome. The rapport is at the heart of the welcome of these visitors with specific needs.

Qualité Tourisme mark

National mark which secures quality services, federates committed steps by tourism professionals and gives to France a figure of excellence in words of welcome, heritage and expertise.

Qualité Tourisme Occitanie Sud de France label

Regional label which rests on a series of agreements with schedules and specifications. It's reassured and backed up visitors about quality services.

Clévacances label

National label which secures and promotes quality furnished flats everywhere in France.

Gîtes de France label

National label which favours welcome and comfort with the highlight of authenticity, environment and heritage.

Furnished flats classification

Official step which answers to precise requirements and to a classification schedule. It's delivered by an accredited organization.

On Wednesday afternoon: 3 pm-6 pm.

Site archéologique gallo-romain d'Ambrussum

et son musée

Chemin d'Ambrussum - 34400 VILLETELLE
33 (0)4 67 02 22 33
ambrussum@lunelagglo.fr - www.ambrussum.fr

Throw into the 1st century with Gallo-Roman civilisation history and discover the museum and archaeological remains during a stroll with a scent of scrubland!

Bordered by the oldest Roman road, (Via Domitia) and located on the banks of Vidourle river, the archaeological site of Ambrussum offers to lovers of old stones a bewitching landscape, steeped in history.

The Oppidum (fortified-settlement) invites visitors to explore ancient dwellings, a public edifice and ramparts which are listed monuments. You can also see the cobbled high and Ambroix bridge.

Free access to archaeological site and museum.

Guided tours charged every weekend.

Full price: 5 € - Reduced price: 4 €

Admission free under 12 years old.

Groups rate (from 10 persons): 4 €

TOURIST TAX

Further to its deliberation of 19/01/2006, Pays de Lunel council voted to introduce tourist tax based on the standard regime from 01/02/2009. It's collected by accommodation professionals from persons spending at least one night in the area. This tax is dedicated to initiatives for tourism development in Pays de Lunel area and to finance facilities and services made available to visitors.

The good advice eco-friendly

TRAVEL

IN JUST THE RIGHT WAY

- I prefer the train to get to my holidays destination
- I take public transport
- I start learning walking
- I travel by bike

LET'S WALK

IN THE WOODS

- I respect the marked trails and I follow the circuit
- I don't throw out my cigarette butts
- I don't pick plants or flowers, because these are maybe protected species

- I don't throw out any waste in the nature
- I don't go to places marked as unauthorized access
- I don't shout when I go hiking so as not to frighten animals
- I don't practice noisy motorized activities in natural spaces
- I prefer a flask instead of plastic bottles
- I watch my dog

AT THE BEACH,

I TAKE CARE OF THE MEDITERRANEAN SEA !

- I don't throw out my cigarettes butts in sand
- I am careful not to leave any waste and plastic bags in the water or on the sand. If I have a picnic, I don't forget to take a trash bag
- I do the selective sorting using bins on the beach. I sort my waste using bins on the beach
- I take a sunscreen that doesn't pollute water

IN MY HOLIDAY ACCOMMODATION, JE FAIS COMME À LA MAISON !

- I don't leave any electrical appliance on standby
- I recycle my waste
- I turn down the heat and air-conditioning devices when I go away
- I turn down the light when I leave a room
- I take a shower instead of a bath
- I eat seasonal and local products
- I'm going to meet unhabitants
